BEFORE YOU START

How to Read Every Entry in This Course

Every Hindi word and sentence in all of these books appears in **three layers**, always in the same order:

मैं दिल्ली में रहता हूँ।

main dillee mein rehtaa hoon. [meh(n) dil-lee may(n) reh-tah hoo(n)]

I live in Delhi.

Line 1 — Devanagari, the real Hindi script. Even in week 1, let your eyes rest on it before reading the other lines; recognition builds silently. **Line 2 — Roman** (*italics*), Hindi in English letters, spelled the way this course always spells it. **Line 3 — Say it** [in brackets], a phonetic respelling an American can read cold, hyphenated by syllable.

The Roman spelling system (training wheels with rules)

Long vowels doubled	<i>a / aa</i> (अ/आ), <i>i / ee</i> (इ/ई), <i>u / oo</i> (उ/ऊ) — so की is <i>kee</i> , का is <i>kaa</i>
CAPITALS = retroflex	<i>T Th D Dh N R Rh</i> (ट ठ ड ढ ण ढ ढ) — tongue curled back. Lowercase <i>t th d dh n</i> (त थ द ध न) = dental, tongue on the teeth. This is the single most useful habit in this course.
h = puff of air	<i>kh gh chh jh Th Dh th dh ph bh</i> are one sound each, said with extra breath
Urdu-flavored letters	<i>z</i> (ज़), <i>f</i> (फ़), <i>q</i> (क़) — Delhi speech is full of z and f
Nasal vowels	Roman keeps a plain <i>n</i> (<i>haan, mein, hoon</i>); the phonetic line shows the truth with (n): [hah(n)] — air through the nose, tongue touches nothing

Reading the phonetic line

uh	अ, like the a in <i>about</i>	ah	आ, as in <i>father</i>
i / ee	इ as in <i>bit</i> / ई as in <i>feet</i>	u / oo	उ as in <i>put</i> / ऊ as in <i>food</i>
ay	ए, like <i>say</i> but pure — freeze the vowel, no glide at the end	eh	ऐ, like <i>bed</i> held a beat longer (this is the Delhi value — है = [heh])
oh	ओ, like <i>go</i> but pure, no glide	aw	औ, like <i>law</i> with rounded lips (Delhi value — और = [awr])

Doubled consonants are split across the hyphen and genuinely held: दिल्ली [dil-lee] — park your tongue on the l for an extra beat. There are no stress capitals: Hindi syllables are far more even than English; the long vowels carry the weight naturally.

Other marks you'll meet

(m)/(f) after a noun is its gender — always learn it with the word. (vt)/(vi) marks verbs that do/don't take *ne* in the past (a Unit 14 story). (lit. ...) is a word-for-word gloss so you can see the Hindi skeleton. The bar | is the Hindi full stop.

NOTE

Two honest wrinkles, so they never confuse you: (1) written Hindi has वह/यह for he/she/it/this/that, but Delhi mouths say *voh* and *yeh*, and casual writing uses वो/ये freely — you'll see both in this course, exactly as you will in real life. (2) Everyday Delhi Hindi happily uses English words (स्कूल, फ़ोन, मेट्रो, टाइम); that's not "cheating," that's the dialect.

How This Course Works

Welcome, Jacob. This box of paper is a complete six-month path from zero to comfortable everyday Delhi Hindi — built for exactly your situation: classes for structure, a Delhi partner for reality, and self-study to do the actual heavy lifting. Here's the machine and how to run it at 45–60 minutes a day.

The six pieces

Book 0 · Master Plan	This book: the 26-week schedule, trackers, and operating instructions. Keep it on top of the pile.
Book 1 · Pronunciation & Script	The mouth-first pronunciation course (tongue positions, diagrams, drills) plus the complete Devanagari reading & writing course. Chapters 1–7 are your first-month backbone; Chapters 8–13 are reference and drills you'll revisit all six months.
Book 2 · Grammar Workbook	24 units, one core pattern each, with exercises and full answer keys. One unit per week after week 1 (two pivot units get two).
Book 3 · Vocabulary	20 themed chapters, ~1,100 words, every entry with script + roman + phonetics + gender. Feeds the flashcards.

Book 4 · Practice	24 Delhi-situation dialogues with drills and translations, plus 6 monthly tests with keys. This is where grammar and vocab become speech.
Flashcards · 17 decks	~800 print-and-cut cards (3 PDFs). Devanagari on the front — always try to read before flipping.

The daily hour (45-60 min)

10 min	Flashcards — run today's Leitner boxes (below). Non-negotiable; this is the compound interest.
20-25 min	Main work — this week's Book 2 unit or Book 1 chapter, per the weekly plan. Do exercises in pencil; check against the key immediately (wrong answers are the curriculum).
10 min	Mouth & hand — alternate days: pronunciation drills (Book 1 Ch. 3-5, 12) / writing practice (Book 1 Ch. 10-11), then always 2 minutes reading the current dialogue aloud.
10 min	Partner time — one game from Book 1 Ch. 13 or the current lesson's roleplay box. No partner around? Shadow a voice note instead.
5 min	Close the loop — tick the tracker, glance at tomorrow, add any word you needed today but didn't have to the "hit list" page.

Six days a week; day seven is catch-up or rest. Test weeks replace the main work with the monthly test + review of everything it exposed.

The Leitner system (your card engine)

Get five envelopes or a 5-slot box, labeled 1-5. New cards enter Box 1. **Any card you answer correctly moves one box right; any miss sends it back to Box 1.** The boxes run on different clocks:

BOX	REVIEW	MEANING
1	every day	new + missed cards
2	every 2nd day (Mon/Wed/Fri)	getting there
3	weekly (Saturdays)	known
4	every 2nd Saturday	solid

BOX	REVIEW	MEANING
5	1st of the month	owned — three straight rights here and the card retires

Feed rate: ~**10 new cards a day** from the decks the weekly plan activates. A card counts as "right" only if you got the pronunciation right too — say every answer out loud. For verbs, name the transitivity (vt/vi) after Unit 14 makes you care; for nouns, gender counts: *kitaab* without "(f)" is a miss.

Using your classes

This plan doesn't compete with your classes — it feeds them. Three habits: (1) **Bring a question list.** Anything marked "ask a native/teacher" in your week, plus every exercise you got wrong twice. (2) **Request pronunciation audits.** Once a month, read your current Gauntlet sentences (Book 1, Ch. 13) to the teacher and ask for brutal honesty — teachers rarely volunteer pronunciation correction unless asked. (3) **Map, don't march.** If class order differs from this plan (most start with script, some with phrases), keep this plan as your spine and treat class topics as free reinforcement — every unit here is self-contained, and the index-by-topic means you can pull a unit forward the week your class covers it.

Using your partner (the house rules)

A partner from Delhi is a superpower with one failure mode: turning every dinner into a grammar exam ruins both the dinner and the grammar. The rules that work: **ten scheduled minutes a day** (the games are designed to be fun — pointing games, candle tests, vendor roleplay), a standing "**Hindi window**" (e.g., making chai = Hindi-only), and voice notes — ask them to send one WhatsApp voice note a day at normal speed; it becomes your shadowing material (Ch. 7). Let them teach you the family's own words — every Delhi household has its own slang — and write those in the blank pages of Book 3. What they should *not* have to do: explain WHY grammar works (that's Book 2's job and your teacher's job), or slow down their family dinner for you. Around their parents: आप forms, always — Book 4 Lesson 14 is your training camp.

What "done" looks like

By the end of Month 6, per the final test and capstone: you can hold a ten-minute everyday conversation, survive Delhi transactions (metro, auto, market, dhaba) in Hindi, read Devanagari at a careful pace, write notes in a fair hand, follow slowish family conversation, and — the real graduation — spend an evening with your in-laws where the Hindi parts of the evening include you. Fluency is a years-long road, but this is the part where the road gets fun.

NOTE

Printing & assembly: print Books 0–4 double-sided and drop them in three-ring binders (Book 1 gets opened most — give it the good binder). Flashcards: print single deck at a time, double-sided, **"flip on long edge,"** 100% scale, on cardstock if your printer takes it. Cut on the dashed lines (a \$10 paper trimmer beats scissors by a mile). The first page of the flashcard PDFs is an alignment tester — print that one sheet first, check front/back line up, then commit.

THE PLAN**Months 1-3, Week by Week**

Every week below lists exactly what to open. "B1 Ch. 3" = Book 1 Chapter 3; "U7" = Book 2 Unit 7; "c06" = Book 3 Chapter 6; "L11" = Book 4 Lesson 11; "D05" = flashcard deck 5. Weekly rhythm stays the same throughout: cards daily, main work 5 days, one partner game most days, tracker every night.

Month 1 — Sounds & Script Boot Camp

Goal: mouth retrained, alphabet read and written, first phrases alive. Grammar starts gently in week 1 — the heavy lifting this month is Book 1.

Week 1 — Your mouth, the map

Main work	B1 Ch. 1 (the map — do every "feel it"), Ch. 2 (vowels — the freeze drill daily). B2 U1 (sentence shape). Start B1 Ch. 10 writing: vowel rows.
Vocabulary & cards	Build your Leitner box. Start D01 (vowels & matras): 10/day. From B4 L1, learn the greeting lines by ear (roman is fine this week).
Speak & listen	Partner: pointing game with <i>haan/saans-type</i> nasal pairs + length pairs (<i>kam/kaam</i>). Ask them to send your first daily voice note.
You can now	Say namaste with a real dental t, hold a pure ए for 3 seconds, read the 13 vowels, say "main Jacob hoon."

Week 2 — The Big One (dental vs. retroflex)

Main work	B1 Ch. 3 — the week's centerpiece; alternation ladder every day. B1 Ch. 8: rows क-ङ, च-झ, ट-ण, त-न (read WITH the mouth instructions). B2 U2 (hona + aap/tum/tu). Writing: Ch. 10 rows 1-2.
Vocabulary & cards	Start D02 (consonants), first ~20 cards. B3 c01 first half (greetings — say each aloud twice).
Speak & listen	B4 L1 dialogue: read aloud daily, roleplay with partner by Friday. Pointing game: त/ट papers, every day, 2 minutes.
You can now	Introduce yourself politely, ask "aap kaise hain?", produce distinct त vs ट in isolation, read 20+ letters.

Week 3 — The puff

Main work	B1 Ch. 4 (aspiration — palm/candle daily), Ch. 8 remaining rows (त-म, य-व, श-ह, nukta letters). B2 U3 (gender). Writing: Ch. 11 rows 3–5.
Vocabulary & cards	Finish D02. B3 c01 second half + c02 first half (immediate family — the words that matter most in your life).
Speak & listen	B4 L2 (chai stall!) — this is your first "real Delhi" script; get <i>bhaiyaa</i> , <i>do chaay denaa</i> partner-certified. Candle night (Ch. 4 box).
You can now	Order chai, pass the palm test on all five rows, name your partner's immediate family in Hindi, read any single letter.

Week 4 — Matras: the script clicks

Main work	B1 Ch. 9 (matras & conjuncts — take two passes; the f-writes-left surprise needs reps). B1 Ch. 5 (tricky customers — the flap!). B2 U4 (plurals). Writing: Ch. 11 matra rows + first words.
Vocabulary & cards	Start D05 (family & people). B3 c02 second half (the full in-law map — yes, all of it; it's a love language).
Speak & listen	B4 L3 (meeting the family). B1 Ch. 12 minimal pairs: Sets 1–2 with partner. Daily: read one L1–L3 dialogue line in pure Devanagari, no roman peeking.
You can now	Sound out real written words (धन्यवाद!), do the ड flap, say who everyone at the dinner table is.

Month 2 — First Grammar Engine

Week 5 — The invisible vowel · TEST 1

Main work	B1 Ch. 6 (schwa deletion). B2 U5 (kaa/ke/kee + apnaa). Weekend: Test 1 (B4 t1) closed-book, grade with key at1, then Month-1 milestones (B1 Ch. 13).
Vocabulary & cards	Start D03 (numbers 0–30 this week). B3 c03 (pronouns & little words).
Speak & listen	B4 L4 (around the house — narrate your own place room by room). Voice-note shadowing 3×.
You can now	Say whose everything is (meree chaay!), read words the Delhi way (kamraa not ka-ma-raa), count to 30.

Week 6 — Adjectives & the sound of Delhi

Main work	B2 U6 (adjectives & agreement). B1 Ch. 7 (rhythm & the Delhi accent — start daily shadowing habit for good). B3 c04 first half (numbers chapter: patterns + 0–50).
Vocabulary & cards	D03 to 60. B1 Ch. 12 Sets 3–4 (vowel length, nasals) into rotation.
Speak & listen	Re-run L4 roleplay with adjectives everywhere (baRaa kamraa, chhoTee balcony). Melody game (Ch. 7 box).
You can now	Compliment things convincingly (kitnaa achchhaa hai!), say है as [heh] like a Delhiite, count to 60.

Week 7 — The oblique week (the pivot)

Main work	B2 U7 (postpositions & oblique case) — two main-work sessions ; this unit unlocks everything after it. B3 c05 (time — days, months, DeRh/Dhaaee!).
Vocabulary & cards	Finish D03 (to 100); start D11 (time & calendar). Numbers game with partner nightly (c04 partner box).
Speak & listen	Location sentences about your real life: mez par, ghar mein, dillee se. Re-read L1–L4 in Devanagari only.
You can now	Say where anything is, tell the time (saaRhe saat!), give today/tomorrow plans a timestamp, count anything.

Week 8 — The present tense arrives

Main work	B2 U8 (present habitual). B3 c06 (food, Delhi style — the joy chapter).
Vocabulary & cards	Start D06 (food & drink). Hit-list page: add every food word your household actually uses.
Speak & listen	B4 L5 (daily routine — tell yours for real). Partner: "aap roz kyaa karte hain?" interview, both directions.
You can now	Describe your day, your habits, your chai order and your golgappa loyalty in real sentences.

Week 9 — Right now · TEST 2

Main work	B2 U9 (present continuous). B3 c07 (home). Weekend: Test 2 (t2/at2) + Month-2 milestones.
-----------	--

Vocabulary & cards	Start D07 (home & daily objects).
Speak & listen	B4 L6 (on the phone). New standing habit: one real "kyaa kar rahe ho?" phone/text exchange with partner daily, in Hindi.
You can now	Narrate the present moment, hold a 60-second phone check-in, pass Test 2's reading passage without the roman line.

Month 3 — Wants, Pasts & Futures

Week 10 — The ko-construction (how Hindi feels)

Main work	B2 U10 (mujhe pasand hai / chaahiye / lagnaa — Hindi's emotional engine). B3 c14 (feelings & small talk).
Vocabulary & cards	Start D04 (survival phrases — many will already feel like old friends).
Speak & listen	B4 L7 (ordering & likes) and L8 (prices & time — light, mostly numbers you own now). Nightly: three genuine mujhe-pasand sentences at dinner.
You can now	Want things, like things, feel hungry/cold/happy out loud, order for two, ask what things cost.

Week 11 — Yesterday exists now

Main work	B2 U11 (thaa + past habitual/continuous). B3 c13 (weather — instant small-talk fuel, Delhi edition).
Vocabulary & cards	Start D16 (weather & nature). Ch. 12 Sets 5-7 into rotation.
Speak & listen	B4 L9 (talking about yesterday). Partner: "kal kaisaa thaa?" becomes the new daily question.
You can now	Compare today's weather to yesterday's, tell where you were and what life was like "back then."

Week 12 — Tomorrow too

Main work	B2 U12 (future). B3 c08 (body & health — vocabulary you want BEFORE you need it).
Vocabulary & cards	Start D08 (body & health).
Speak & listen	B4 L10 (weekend plans — make real ones and then keep them). The kal-means-both joke will happen this week; enjoy it.

You can now	Plan a weekend, promise things (milenge!), handle past-present-future in one conversation.
-------------	--

Week 13 — Politely bossy · TEST 3

Main work	B2 U13 (imperatives & requests — the keejiye class). B3 c10 (Delhi city & transport). Weekend: Test 3 (t3/at3) + Month-3 milestones.
Vocabulary & cards	Start D10 (city & transport).
Speak & listen	B4 L11 (auto bargaining — the rite of passage) and L12 (metro & directions). Vendor drill (Ch. 13 game 4) makes its debut.
You can now	Direct an auto, buy a metro token, bargain without offending, request politely at three politeness levels. Halfway there.

THE PLAN

Months 4–6, Week by Week

Month 4 — The Ergative Mountain (and the view from the top)

Week 14 — ne, part one

Main work	B2 U14 (simple past & the ergative) — two main-work sessions , exercises spread across the week. This is Hindi's famous hard turn; the unit takes it slowly, so should you. B3 c11 (money & bargaining).
Vocabulary & cards	Verbs matter now: start D12 (core verbs) at 10/day — the (vt)/(vi) tags are your ne-compass.
Speak & listen	B4 L12 consolidation + L13 (what happened?! — your first past-tense storytelling). Nightly: one true "aaj maine..." sentence.
You can now	Say what you did today without fear: maine chaay banaaee. (Check that agreement — you just did the hard thing.)

Week 15 — ne, part two + perfects

Main work	B2 U14 exercises finished cold; B2 U15 (perfect tenses). B3 c09 (clothing & colors).
Vocabulary & cards	Start D09 (clothing & colors). D12 continues.
Speak & listen	B4 L13 mastered; partner tells you their day in past tense, you relay it back third-person.
You can now	Handle "have you eaten?" — khaanaa khaayaa? — and answer it like family: haan, khaa liyaa (the compound sneaks in as a set phrase; Unit 19 explains it later).

Week 16 — The in-law dinner (the boss level)

Main work	B2 U15 consolidation. B3 c19 (love & affection — because the partner deserves vocabulary too). Review c02 in-law terms until instant.
Vocabulary & cards	Start D17 (love & sweet nothings — deploy responsibly). D05 back into daily rotation for a refresher week.

Speak & listen	B4 L14 (dinner at the in-laws') — rehearse until the aap-forms are automatic; then, if geography allows, DO it (video call counts; the letter of thanks in Devanagari is extra credit).
You can now	Survive — no, shine at — a family dinner: compliment the cooking, take seconds correctly, use aap without slipping once.

Week 17 — Can-do

Main work	B2 U16 (saknaa/paanaa/chuknaa). B3 c12 (work & study — talk about your actual job).
Vocabulary & cards	D12 continues (aim: 60+ verbs in rotation). Hit-list: your job's ten key words, partner-translated.
Speak & listen	B4 L15 (Sarojini shopping). "main ... kar saktaa hoon" inventory game with partner: trade five true sentences each.
You can now	Ask permission, offer help, shop for clothes, explain what you do for a living in two sentences.

Week 18 — Should, must, gotta · TEST 4

Main work	B2 U17 (obligation: chaahiye/hai/paRnaa). Weekend: Test 4 (t4/at4 — the ne gauntlet) + Month-4 milestones.
Vocabulary & cards	c08 health words refreshed (D08 rotation) — they pair with obligation ("mujhe aaraam karnaa chaahiye").
Speak & listen	B4 L16 (not feeling well — doctor roleplay with partner; let them play the strict Delhi doctor AND the haldee-doodh dispensing parent).
You can now	Say what you should, have to, and were forced to do — and fend off home remedies in grammatical Hindi.

Month 5 — Sounding Like a Person, Not a Textbook

Week 19 — Maybes & ifs

Main work	B2 U18 (subjunctive + agar...to). B3 c17 (adverbs, postpositions & connectors — the glue chapter).
Vocabulary & cards	Start D14 (little words). These cards are small but they're the ones that make speech flow.

Speak & listen	B4 L17 (asking for help). Suggestion game: every plan this week gets proposed in Hindi first — "chalein? ... agar time ho to..."
You can now	Suggest, hedge, wonder and bargain with fate: shaayad, agar, chalein — the polite Indian art of the soft plan.

Week 20 — Compound verbs (the native-speaker switch)

Main work	B2 U19 (compound verbs) — two sessions ; this is the unit that upgrades "correct" Hindi to "real" Hindi. Suddenly half of what your partner says will click retroactively.
Vocabulary & cards	D12 push to complete. Re-listen to old voice notes and count the ho-gayaas — they were there all along.
Speak & listen	B4 L18 (making plans with friends). Retell L13's disaster story, now with vectors: kho gayaa, mil gayaa, ho gayaa.
You can now	Say le lo, de do, ho gayaa, aa jao in the right places — and hear the warmth they carry.

Week 21 — Joining everything

Main work	B2 U20 (ki-clauses, kyonki, jab...tab, reported speech, -kar). B3 c16 (core adjectives — sweep what you don't know into the box).
Vocabulary & cards	Start D13 (adjectives & opposites).
Speak & listen	B4 L19 (sabzi mandi — quantities + the sacred free dhaniyaa). Relay game: partner tells you something, you report it to the wall: "usne kahaa ki..."
You can now	Build long sentences without stalling, quote people, explain because-therefore, shop by the paav.

Week 22 — The one who · TEST 5

Main work	B2 U21 (jo...voh relatives). Weekend: Test 5 (t5/at5) + Month-5 milestones.
Vocabulary & cards	D13 continues. D04 sweep — anything not in Box 4+ gets drilled.
Speak & listen	B4 L20 (telling a story — partner tells a childhood Delhi story; you retell YOUR childhood one). Record both; this recording is gold.
You can now	Describe people and things with clauses ("the one who..."), tell a whole story with a beginning, middle and ho-gayaa.

Month 6 — Delhi Polish & the Victory Lap

Week 23 — Slang week (the fun one)

Main work	B2 U22 (comparisons). B3 c18 (Delhi street talk — yaar, jugaaR, scene, vellaa...).
Vocabulary & cards	Start D15 (slang — mind the register notes; in-law-safe subset only at family dinners).
Speak & listen	B4 L21 (describing people). License granted: one yaar per conversation with partner. Ask them which five slang words THEY actually say.
You can now	Compare anything (Dilli sabse achchhee hai), banter a little, hear "kyaa scene hai" and answer it.

Week 24 — Getting things done, Delhi style

Main work	B2 U23 (causatives & passive, light). B3 c20 (festivals & occasions — timed for whichever one's next on the calendar).
Vocabulary & cards	Festival greetings into the box the week before any real festival; they're single-use-per-year but high-value.
Speak & listen	B4 L22 (jugaaR — the darzee/press-vaalaa economy). Field trip if possible: get one real thing silvaaoed/kaTvaaaoed/banvaaaoed.
You can now	Get things done through people (karvaanaa), wish anyone a proper festival, explain what pheras are at a wedding.

Week 25 — The finishing touches

Main work	B2 U24 (hee/bhee/to/na, vaalaa, tag questions — the seasoning). B1 Ch. 7 full revisit: shadowing daily, one certified line per day this week.
Vocabulary & cards	Box maintenance week: everything below Box 3 gets a decision — drill it or retire it consciously.
Speak & listen	B4 L23 (phone call home & gossip). Eavesdrop practice on a real family call: count the to's and hee's you now hear.
You can now	Sound like yourself in Hindi — emphasis, warmth, teasing: main to Theek hoon, tum batao na!

Week 26 — Capstone · FINAL TEST

Main work	B4 L24 (a full day in Delhi — the everything lesson). Final Test (t6/at6) closed book; the Devanagari letter in Section E is your diploma-in-disguise. Month-6 milestones (B1 Ch. 13) + the full can-do list in the trackers.
Vocabulary & cards	None new. Victory lap through Box 5.
Speak & listen	The capstone performance: run L24's full day FOR REAL as far as life allows — chai, errands, market, a family call, an evening walk — narrating in Hindi throughout. Partner grades leniently and buys the jalebi.
You can now	Have the ten-minute conversation. Read the letter. Write the reply. Say the thing you couldn't say in January: अब मुझे हिन्दी आती है।

After Month 6 — keeping it alive

The course ends; the Hindi doesn't. The maintenance stack that works: (1) **keep the 10-minute card habit** but feed it only from real life — words you needed and lacked; (2) **graduate your input** — Bollywood with Hindi subtitles (not English), Hindi audio + your partner's running commentary, music with lyrics open; (3) **upgrade the partner window** from ten minutes to whole activities (cooking = Hindi, walks = Hindi); (4) **book a Delhi trip milestone** if you can — nothing consolidates six months of work like one week of sabzi mandis and family dinners; (5) for grammar beyond this course (contrafactuals, advanced causatives, literary registers), your classes and any standard intermediate text will slot cleanly on top of Units 1–24. And write the in-laws a Divaalee card in your own hand this year. That was always the real final exam.

TRACKERS

Print, Pin Up, Tick Off

Progress you can see is progress that continues. Three trackers: the weekly grid (one row a week, tick nightly), the deck ledger, and the test log. Print spares of this section anytime.

The 26-week grid

C = cards done daily (tick when ≥ 5 of 7 days) · M = main work finished · P = partner sessions (aim 4+) · V = one voice-note shadowed · T = tracker/class notes done
